

## Student Reflections: on the experience of developing a solution to a public policy problem

<p>1. What did I personally learn about public policy from working with my classmates?</p>	
<p>2. What did we learn as a class about public policy by developing our portfolio?</p>	
<p>3. What skills did I learn or improve upon by working on this project?</p>	
<p>4. What skills did the class learn or improve upon by working on this project?</p>	
<p>5. What are the advantages of working as a team?</p>	
<p>6. What are the difficulties of working as a team and how can we avoid them?</p>	

7. What contributions did I make as part of the team?	
8. What did the team do well?	
9. How can I improve my skills in collaboration, problem-solving, research, writing and public speaking?	
10. How can the class improve its skills in collaboration, problem-solving, research, writing and public speaking?	
11. What would we want to do differently if we were to develop another project aimed at influencing public policy?	
12. How did working on this project change my attitudes about personal responsibility for my community?	
13. How did working together on this project change my attitudes about what a citizen or group of citizens can do /to improve their community?
